Rich and Dennis:

I just wanted to let you know that we initiated the 52 case shipment to Arizona Complete yesterday. The shipment should arrive today or Monday at the latest. Please advise if you need anything further to process the shipment as we have planned.

One additional point of information that we would need for our reference - does Arizona Complete keep the product in conditioned warehouse space during the time it is in your possession? We just need to know in order to determine whether we need to further condition the product at the end destination. Please let me know.

We are working on the purchase order right now; we will send that along as soon as it is in place.

Thanks,  
Valerie
